

Constitution of Decentralized States of Mars

21.01.2022

Article 1

Decentralized States of Mars is a sovereign and independent state.

Article 2

The sovereignty of the Decentralized States of Mars extends to all of its territory. The territory of Decentralized States of Mars within the existing border is integral and inviolable.

Article 3

A person, his life and health, honor and dignity, inviolability and security is recognized in Decentralized States of Mars as the highest social value.

Human rights and freedoms and their guarantees determine the content and direction of the state's activities. The state is responsible to the individual for its activities. The assertion and provision of human rights and freedoms is the main duty of the state.

Article 4

Decentralized States of Mars is a federal blockchain-decentralized constitutional republic.

The bearer of sovereignty and the only source of power in Decentralized States of Mars is the people. The people exercise power directly by voting in the Ethereum blockchain system. The result of the exercise of power is consensus.

Article 5

The official language in the Decentralized States of Mars is the English language. The state ensures the comprehensive development and functioning of the English language in all spheres of public life throughout the Decentralized States of Mars.

In Decentralized States of Mars, the free development, use and protection of Russian and other languages of the national minorities of Decentralized States of Mars is guaranteed. The state promotes the study of languages of international communication.

The use of languages in Decentralized States of Mars is guaranteed by the Constitution of Decentralized States of Mars and determined by law.

Article 6

Land is the main national wealth, which is under the special protection of the state.

Land ownership is guaranteed. This right is acquired and exercised by citizens, legal entities and the state exclusively in accordance with the law.

Article 7

The foreign policy activity of Decentralized States of Mars is aimed at ensuring its national interests and security by maintaining peaceful and mutually beneficial cooperation with members of the international community based on the generally recognized principles and norms of international law.

Article 8

Each person has the right to free development of his personality, if the rights and freedoms of other people are not violated, and has obligations to society, in which the free and comprehensive development of his personality is ensured.

Article 9

Citizens have equal constitutional rights and freedoms and are equal before the law.

There can be no privileges or restrictions based on race, skin color, political, religious and other beliefs, gender, ethnic and social origin, property status, place of residence, linguistic or other grounds.

Equality of rights for women and men is ensured by: providing women with equal opportunities with men in social and political and cultural activities, in education and training, in work and remuneration for it.

Article 10

A citizen of Decentralized States of Mars cannot be deprived of citizenship and the right to change citizenship.

A citizen of Decentralized States of Mars cannot be expelled from Decentralized States of Mars or extradited to another state.

Decentralized States of Mars guarantees care and protection to its citizens who are outside its borders.

Article 11

Everyone is guaranteed the inviolability of the home.

It is not allowed to enter the dwelling or other possessions of a person, conduct an inspection or search there, except on the basis of a reasoned decision of the court.

In urgent cases related to saving people's lives and property or with the direct pursuit of persons suspected of committing a crime, another procedure established by law is possible for entering a dwelling or other possession of a person, conducting an inspection and search in them.

Article 12

Everyone is guaranteed the secrecy of correspondence, telephone conversations, telegraph and other correspondence. Exceptions may be established only by a court in cases provided for by law, in order to prevent a crime or to establish the truth during the investigation of a criminal case, if it is impossible to obtain information by other means.

Article 13

Everyone is guaranteed the right to freedom of thought and speech, to the free expression of their views and beliefs.

Everyone has the right to freely collect, store, use and distribute information orally, in writing or in any other way - at their choice.

The exercise of these rights may be restricted by law in the interests of national security, territorial integrity, or public order; to prevent disorder or crime, to protect public health, to protect the reputation or rights of others, to prevent disclosure of information received in confidence, or to maintain credibility and impartiality of justice.

Article 14

Everyone is guaranteed the right to keep and carry any type of weapon.

Article 15

Everyone is allowed to buy, sell and use psychoactive drugs for recreational purposes.

The state cannot have a monopoly on drug trafficking.
